

# ORI PROJECTS MEETUP

**30 September 2025**

# WELCOME

- What we've been doing
- What we have planned
- Roadblocks that we need help with
- Resources needed

# AGENDA

- **FutureGEO Workshop readout (memo published)**
- **AMSAT-DL presentation report (slides published)**
- **Opulent Voice opportunities in space (talking about this today)**
- **Opulent Voice technical reports (so much going on!)**
- **Haifuraiya technical status (needs rough edges sanded off)**
